Subpart 19.8—Contracting With the Small Business Administration (the 8(a) Program)

SOURCE: 54 FR 46005, Oct. 31, 1989, unless otherwise noted.

19.800 General.

(a) Section 8(a) of the Small Business Act (15 U.S.C. 637(a)) established a program that authorizes the Small Business Administration (SBA) to enter into all types of contracts with other agencies and let subcontracts for performing those contracts to firms eligible for program participation. The SBA's subcontractors are referred to as *8(a) contractors*.

(b) Contracts may be awarded to the SBA for performance by eligible 8(a) firms on either a sole source or competitive basis.

(c) When, acting under the authority of the program, the SBA certifies to an agency that the SBA is competent and responsible to perform a specific contract, the contracting officer is authorized, in the contracting officer's discretion, to award the contract to the SBA based upon mutually agreeable terms and conditions.

19.801 [Reserved]

19.802 Selecting concerns for the 8(a) Program.

Selecting concerns for the 8(a) Program is the responsibility of the SBA and is based on the criteria established in 13 CFR 124.101-113.

19.803 Selecting acquisitions for the 8(a) Program.

Through their cooperative efforts, the SBA and an agency match the agency's requirements with the capabilities of 8(a) concerns to establish a basis for the agency to contract with the SBA under the program. Selection is initiated in one of three ways—

(a) The SBA advises an agency contracting activity through a search letter of an 8(a) firm's capabilities and asks the agency to identify acquisitions to support the firm's business plans. In these instances, the SBA will provide at least the following information in order to enable the agency to match an acquisition to the firm's capabilities.

(1) Identification of the concern and its owners.

(2) Background information on the concern, including any and all information pertaining to the concern's technical ability and capacity to perform.

(3) The firm's present production capacity and related facilities.

(4) The extent to which contracting assistance is needed in the present and the future, described in terms that will enable the agency to relate the concern's plans to present and future agency requirements.

(5) If construction is involved, the request shall also include the following:

(i) The concern's capabilities in and qualifications for accomplishing various categories of maintenance, repair, alteration, and construction work in specific categories such as mechanical, electrical, heating and air conditioning, demolition, building, painting, paving, earth work, waterfront work, and general construction work.

(ii) The concern's capacity in each construction category in terms of estimated dollar value (e.g., electrical, up to \$100,000).

(b) The SBA identifies a specific requirement for a particular 8(a) firm or firms and asks the agency contracting activity to offer the acquisition to the 8(a) Program for the firm(s). In these instances, in addition to the information in paragraph (a) of this section, the SBA will provide—

(1) A clear identification of the acquisition sought; e.g., project name or number;
